Out of School Club

Confidentiality Policy

Statement of intent

It is our intention to respect the privacy of children and their parents and carers, while ensuring that they access high quality play and care.

Aim

We aim to ensure that all parents and carers can share their information in the confidence that it will only be used to enhance the welfare of their children.

Methods

To ensure that all those using - and working in - the after school club can do so with confidence, we respect confidentiality in the following ways:

- Parents have ready access to the files and records of their own children but do not have access to information about any other child.
- Staff will not discuss personal information given by parents with other members of staff, except where it affects planning for the child's needs. Staff induction includes an awareness of the importance of confidentiality.
- Any concerns/evidence relating to a child's development and personal safety are kept in secure, confidential files and are shared with as few people as possible on a "need-to-know" basis.
- Personal information about children, families and staff is kept securely in a lockable file whilst remaining as accessible as possible.
- Issues to do with the employment of staff, whether paid or unpaid, remain confidential to the people directly involved with making personnel decisions.
- Volunteers and bank staff are advised of our confidentiality policy and are required to respect it.
