

St. Joseph's

**Catholic
Primary School**

Payments September 2025

The following measures have been implemented for payments of chargeable services such as snack, school meals and wrap around care. This has been necessary to prevent sizeable debts from being accrued.

Snack

Snack accounts should be maintained in credit. When charges have been made to an account, above the credited amount, balances must be settled each Friday. Any outstanding charges will prevent your child from ordering snack.

School Meals

School Meal accounts should be maintained in credit. When charges have been made to an account, above the credited amount, balances must be settled each Friday. Any outstanding charges will prevent your child from ordering a school meal and you will be contacted to provide a packed lunch.

Wrap Around Care

Wrap Around accounts should be maintained in credit. When charges have been made to an account, above the credited amount, balances should be settled each Friday. Any outstanding charges will prevent your child from accessing Wrap Around.

Where tax-free childcare or child care vouchers are used to pay for wrap around care, the account must be cleared by the end of each calendar month. Any outstanding charges will prevent your child from accessing Wrap Around.

Free Breakfast Club is available from 8:15am each day for children from Reception to Year 6. Full Breakfast Club sessions are offered free of charge to those children for whom the school is in receipt of Pupil Premium Funding. To find out if you are eligible click on the following link.
