

Homework Policy

September 2025

A school overview:-

We believe that to create strong learners it is important to build strong links between home and school. At all times learners will be encouraged to read at home and this may involve learners taking reading books home on a regular basis. We are committed to promoting parental involvement in education and parents will be encouraged to help and support their child in ways that are specific to their age and year group.

Objectives:-

1. To extend and support the learning process beyond the school day.
2. To embed, reinforce and extend learning of basic skills
3. To use the link between home and school to establish a greater understanding of children's interests relating to each topic
4. To involve learners and their parents in teaching and learning and inspire children to learn beyond the classroom.
5. To extend interest in a wider range of topics.

EYFS	
When	Task
Daily	Reading together with parents
Twice weekly	Reading to be recorded in reading diaries
Weekly (Set on Friday to be completed by the following Friday)	Speed Sounds book and QR codes linked to RWI videos Maths activity related to the coming week's learning (Autumn Term 2)

KS1/ KS2	
When	Task
Daily	Reading together with parents
Twice weekly	Reading to be recorded in reading diaries
Weekly (Set on Friday to be completed by the following Friday)	TT Rockstars, MyMaths, 10 spellings to learn linked to patterns taught/appendices

Homework expectations will be added to the Reading Diaries at the start of the year.

Outcomes:-

This policy will ensure that a sensible approach is taken by all and that learners will benefit through the co-operation of home and school by extending learning beyond the school day. Home learning is there to be enjoyed and not to cause worry or stress to learners or parents.
