

## Building a perfect Town

### Questions to consider:

- What makes a perfect Town?
- What do you think are the most important parts?
- Will there be any rules?
- Will you be a democracy or will you have a monarch?
- How will you keep your town running?

### English links:

- Children could write an invitation for people to come and see the opening of their perfect town.
- Children can write a persuasive letter to someone, encouraging them to come and live in their perfect town. Why should they come? What do you have to offer?

### Can you make your perfect Town as a family?

Using the things around you can you build your own town? Together as a family, think about what is the most important parts of a town. How will you make this town perfect for you? You can build the town as big or as small as you want to. Think carefully about all of the different things you are going to need to make your town run smoothly as well as making it perfect for you.

### You will need:
